Oops! There is a mistake here! Can you find it?

Don't print this page if your parents don't let you. LISTEN TO YOUR PARENTS!

So many things we don't understand now!... Stay at home and have fun with English!

1. I haven't got all your diaries, only 6 children sent me their diaries... ☹️

After you send me your diaries you will write only twice a week in them.

2. Read books in English! (You've got the list from me or your own choices).
3. Watch films in English!
4. Write about your favourite books and films!

5. Watch this video about coronavirus explained to kids: <https://www.youtube.com/watch?v=R-JbDMYmAQM>

Make a drawing about it.

Extra work, if you want to work more: Kahoot games and exercises. Make an account on Kahoot, do the games/exercises there. Tell me about what you did on WhatsApp.

God bless you and your families! BYE!!!!
