Hello!

How are you, children?

Your teacher, Frau Claudia has got the code to enter the English class. Your mom/dad accesses the Google Classroom site https://classroom.google.com/h, clicks on the + icon, clicks on 'Join class' and enters the code, then clicks on 'Join'.

It's good to see some kids are already in our Google Classroom and getting points! It's good to communicate again!

This week's job:

Play a memory game:

Which is your favourite toy in quarantine? ;)
Post a picture or a drawing in Google Classroom if you can! If you can't access the Google Classroom draw in your notebook!
