

Hello, kids!

How are you, children? Do you like Google Classroom?

Answer this question in our Google Classroom. Your teacher, Frau Paula has got the code to enter the English class. Your mom/dad accesses the Google Classroom site <https://classroom.google.com/h>, clicks on the + icon, clicks on 'Join class' and enters the code, then clicks on 'Join'.

It's good to see some kids are already in our Google Classroom and getting points! It's good to communicate again!

Our second job this week is 'Big house, little house':

Learn the funny song I posted in Google Classroom or some other song in English.

Make a house using a template. Choose from here or make your own design:

<https://www.bing.com/images/search?q=house+template&FORM=HDRSC2>

Have fun! ;)
