

Hello, kids!

I'm still waiting for some of you to join our Google

Classroom, because while our brand-new Office 365 is being prepared, we'll be working there.

Your teacher, Frau Paula has got the code to enter the English class. You need a gmail account! Your mom/dad accesses the Google Classroom site <https://classroom.google.com/h>, clicks on the + icon, clicks on 'Join class' and enters the code, then clicks on 'Join'. If you can't make it, please ask Frau Paula for my telephone number. I'll be happy to help you!

This week's activities:

1. What do you do in the house or in the garden?

Your houses are lovely! :) Listen and watch this video about the house. Repeat the words many times to get the pronunciation right. Then choose 7-8 words and write in your notebook or post a video at the Assignment section (for you to get points) with you saying WHAT YOU DO in the house/flat or garden. For example, 'I keep my tools in the basement', 'I play on the back porch', 'We don't have a pantry' etc. Use the present simple: I go ..., I play ... , I do..., My mom keeps... aso.
