

## *Hello, kids!*

I'm still waiting for some of you to join our Google Classroom, code sanszk6, because while our brand-new Office 365 is being prepared, we'll be working there.

Have you got any idea who did this?

Hm...

- Listen to and read page 34 in your textbook to find out. Who did this?

Do you like going to carnivals? Why/why not? Have you got a favourite celebration? Answer in your notebook and post the picture in Google Classroom at the 'Carnivals' assignment.

- Then listen to and read pages 38 and 42 in your textbook. Answer: *Where is Chewbook now? Can he eat books now? Why/Why not?* Answer in your notebook.
- Then choose two exercises, any exercises you want from pages 26-45 and do them in your notebook. Post the pictures in Google Classroom at the 'Where is Chewbook now?' assignment.

Bye-bye!

Teacher.
