

Hello, 4th graders!

There are some assignments which not all of you have done! I'm waiting for all those!

Some help for you at this job!

1. A S S I _ _ _ _ _ T = work you need to do
2. L _ _ IN = start to use a system
3. D U _ = the time when your work should be ready
4. C A _ _ _ _ _ R = timetable
5. T O _ _ C = a subject

Dear children, here's what you should do this week:

What's the weather like?

1. Listen to and learn the song *It's time for another year* from British Council. Is it fun? 😊

<https://www.youtube.com/watch?v=VrYwnck1HaQ>

2. Listen to and read the texts on page 42 and do exercises 2, 3, 4 and 5. Post the photos of your homework in Google Classroom.

<https://manuale.edu.ro/manuale/Clasa%20a%20IV-a/Limba%20moderna%20engleza/Booklet/Partea%20I/>

3. Then listen to and repeat the phrases from page 44, exercise 1: It's very cold etc.
4. Play with your family/friends "Hot and cold": agree on a thing, hide it when they're not looking and say "It's cold", when they get closer "It's warm/warmer" and when they get even closer "It's hot!"

Bye!
