

Passive voice

The **voice** of a verb tells whether the subject performs or receives the action.

<p>Active voice: the subject performs the action.</p> <p><i>They built the house in 2003.</i></p>	<p>Passive voice: the subject receives the action. The focus is on the action. It is not important or not known who or what is performing the action.</p> <p><i>The house was built in 2003 (by them).</i> ← We are interested in the house and not who built it.</p>
