ERASMUS+ PROJECT NUMBER 2018-1-RO01-KA201-049454

C1 – Short-term exchange of groups of pupils (Rome; 11-19 March 2019)

Welcome to Rome!

A very rich and exciting week is waiting for you!

The Italian partners will guide you to discover some of the main archaeological and religious sites in Rome. In our sightseeing tour you will find many symbols characterizing Christianity, starting from the Paganism of Ancient Rome to the Catholicism of our days.

Our schedule will be as follows:

DAY	ACTIVITIES
Tuesday 12/03	2.30 pm: Mosque of Centocelle, Aqua Alexandrina, Centocelle airport and Mausoleum of St. Helena
Wednesday 13/03	10.00 am: St. Clement at the Lateran 1.25 pm: Coliseum, Roman forum and Piazza Venezia
Thursday 14/03	10.00 am: St. Peter and its surroundings 2.00 pm: Castel S. Angelo, Piazza Navona and Pantheon
Friday 15/03	9.00 am: Ostia Antica (archaeological site)
Saturday 16/03	2.30 pm: Vatican Museums
Sunday 17/03	10.30 am: St. Peter for Pope Francis' <i>Angelus</i> 2.30 pm: final wrap-up (power point presentations, posters, panels...) at the Institute "Maria Immacolata"
Monday 18/03	10.00 am: Roman baroque (pt. 1) 2.00 pm: Roman baroque (pt. 2)

What will your task be?

For each site of our tour you will have to:

1. identify the historical period of the monument;
2. discover the symbols of the religion which was/is professed there;
3. recognize the main places of worship and cult;
4. pinpoint the religious symbols in the artistic works and architecture;
5. collect pictures.

Final works

At the end of this memorable week *each team* will reorganize the collected material and propose a presentation to the other members; moreover, all works will be published on our Facebook page.

Such presentation can be realized in digital or paper format, with the help of tablets, computers or paper posters provided by the Institute “Maria Immacolata”.
