FRIEDRICH SCHILLER SCHOOL

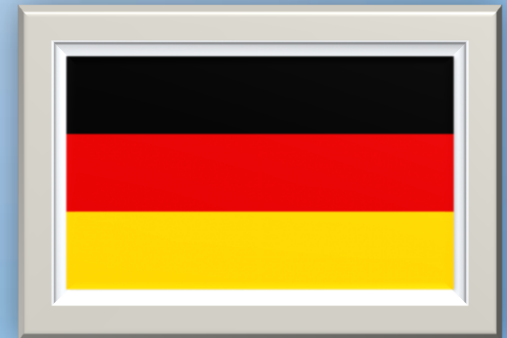

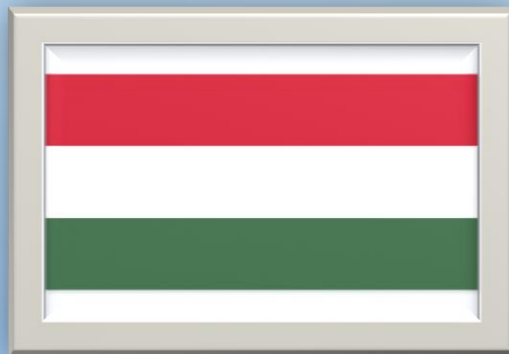

Friedrich Schiller

- Friedrich Schiller School is the only school in town that teaches students in three languages: Romanian, German and Hungarian.
- It is known as the German School and it is named after the German poet, Friedrich Schiller.
- It will soon become one of the most modern schools in our region since it undergoes an upgrade process.

3 Sections

- Our school has 3 sections of learning in Romanian, Hungarian and German.
- It is known throughout the city as the only school that allows students to learn German in a professional way that can have value at an international level.

Erasmus scholarships

- 3 years ago, our school obtained the license to participate in Erasmus mobilities within several projects such as Think Smart, Act Digital.
- It is organized in partnership with schools from abroad, giving students the chance to learn about different school systems.
- So far there have been mobilities in the following countries: Germany, Netherlands, Turkey, Italy, Greece. From that moment our school became a European one.

- Our school offers the opportunity for students to obtain **Erasmus scholarships** and embrace international experience in authentic contexts. Students with best school results have already participated in learning mobilities in Greece, Italy, Turkey, Netherlands.

DSD-Deutsche Sprachdiplom

- The Deutsche Sprachdiplom (DSD) is a programme from Germany for German as a foreign language abroad. The DSD can be acquired with an examination at the end of several years of school-based German lessons.
- Last year, our school was accredited to take the DSD exam for 8th grade students who are from the German section, which can be used all over the world.

Traditions from Germany

- Some traditions are celebrated by the German section, taken from the German traditions, which are recreated with love by the students of the school.

In our school, there are traditional German dance classes that are done by children up to the age of 11.

- **The Festival of Lanterns-** Students make lanterns and walk in the neighborhood in the evening accompanied by teachers. It's a lot of fun and excitement.

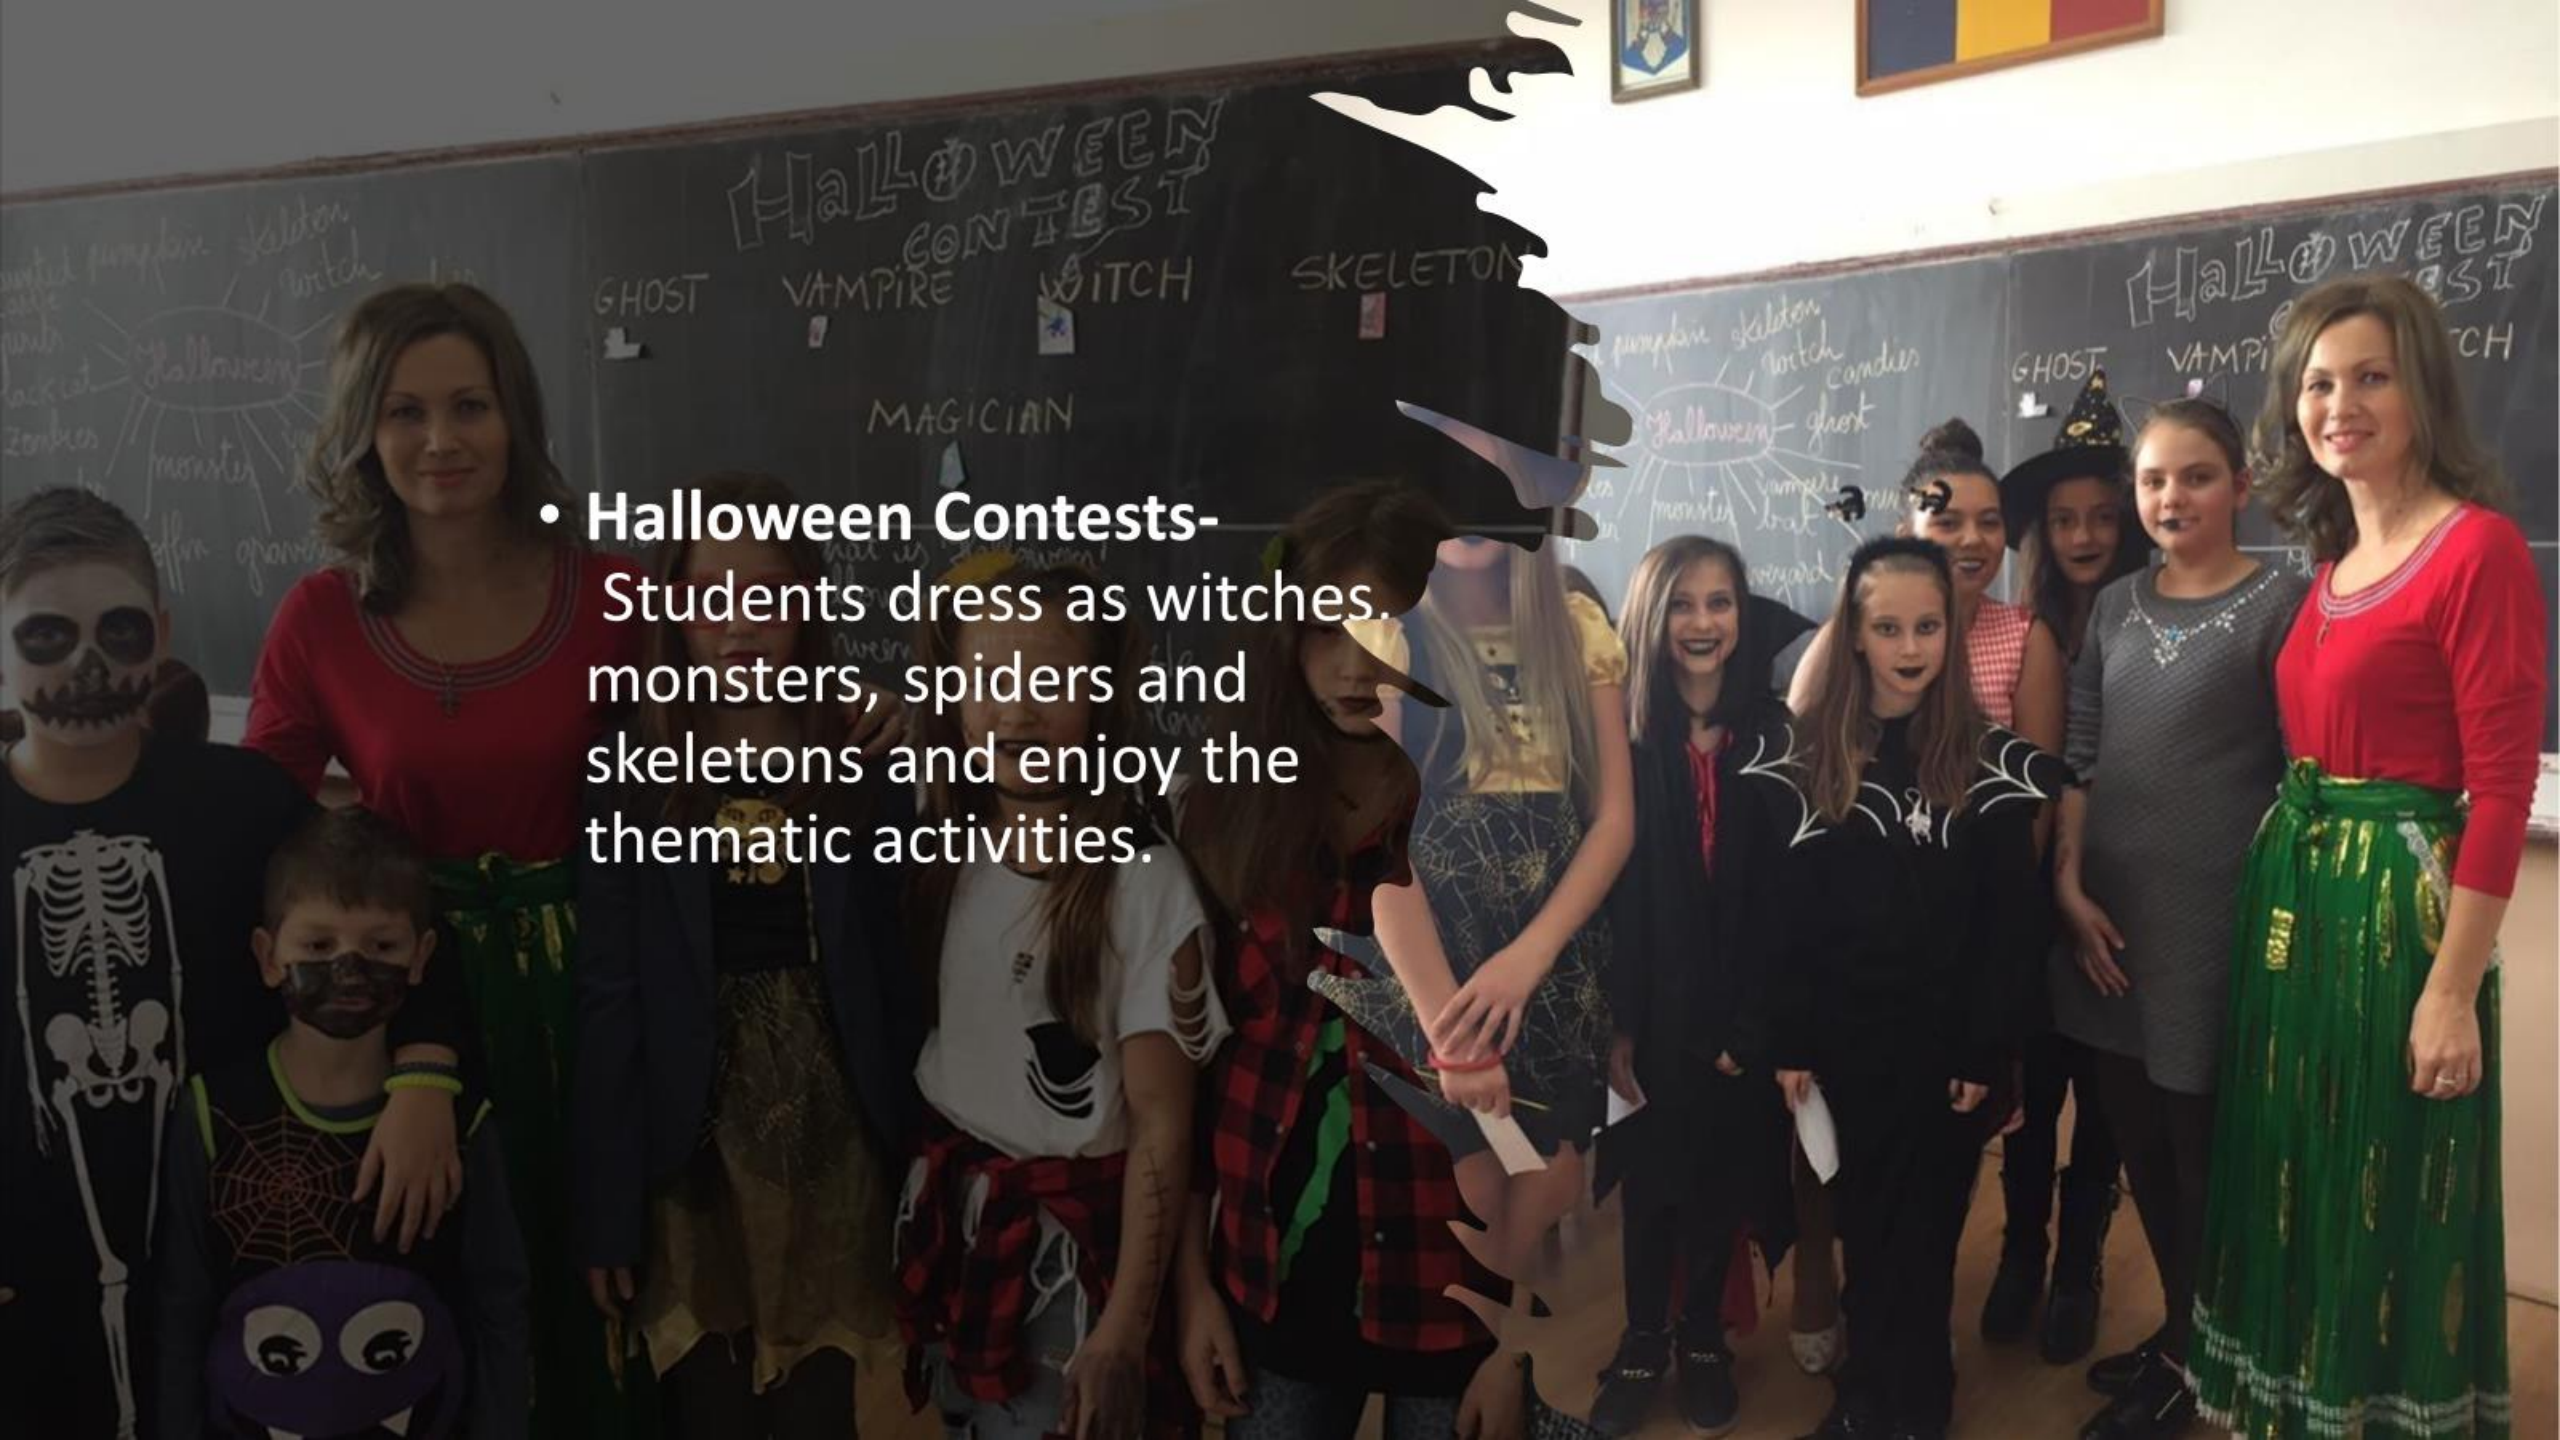

- **Maifest-** This is the school celebration. Students and parents cook special dishes: steaks, homemade cookies and we all are glad to taste them in the school yard. We also organize different workshops such as face painting, glass painting, beads making or talent shows where students display their artistic abilities. Teachers and students prepare traditional dances.

- Teachers and students organize a lot of interesting and captivating activities in our school.

-
- **The Autumn Wealth-** the students enthusiastically prepare dishes from autumn fruits and vegetables and organize a tasting exhibition.

- **Halloween Contests-** Students dress as witches, monsters, spiders and skeletons and enjoy the thematic activities.

- **European Day-** We celebrate peace and union in Europe.

Activities together with the police

- The students of our school were taught from an early age how to cross the street safely, doing this together with the traffic police to avoid accidents.

Another activity together with the police was organized in the city center where students were presented with the danger they expose themselves to if they use drugs and how to protect ourselves from them and from bullying.

WE STAND FOR UKRAINE

- Our school collected food to help Ukraine in this cold war that unfortunately exists.

-
- The students of our school obtain excellent results in the **German National Olympiad**.

- The students of our school obtain excellent results in National and International English Contests, too.

- Our school promotes both national and European values and participates in national competitions such as **Made for Europe**. Our students got the first prize for the best artistic product for an Erasmus Project.

The most modern school in Targu Mures

A few months ago, our school entered maintenance for a renovation that will make it the most modern school in the city Târgu Mureș.

Our school is loved by citizens and students.

We hope that we have satisfied your curiosity about the school where we carry out our activities.
